

Viewing a Combination if a Student's Forgotten It

Viewing a Combination if a Student's Forgotten It

If a student's forgotten their combination, the combination is under 'Classification' in their Oliver account.

Ask for their student number and type it into the bar to get their account, as usual.

<input checked="" type="checkbox"/>	Combination Dial PadLock	PL48233891	133521	PadLocks	08/07/2022 11:14	

It's three two-digit numbers, so this combo would be 13 35 12. (Numbers below 10 show up as 08, for example.)
