## Intune: Set up and Use

Microsoft Intune is an application that allows you to download applications to your laptop without an administrator password. Use these series of tutorials to set up and use Intune to install other apps.

## Instructions (Set Up)

1. Click on the icon circled below.

2. Select Company Portal.

	đ			*			
Microsoft Intune C	enter		8	à			
Company Portal	×	2	<b>1</b> %		š	-	+ 100%
		^	ļ	ſ.	(1)) (T		2:12 PM 19/09/2016

3. If asked, sign into your account by clicking it.

_		
L	Are you the primary user of this computer?	
_	apps on this computer, it has to be linked to you.	
	If you aren't linked as the primary user of this computer, you will not be able to install areas from the nortal.	

5. You are logged in! Make sure your computer has a tick in the top right corner (see below). If it doesn't, click *Tap here* and select your computer.
