## **Accessing Files stored in Teams**

Microsoft Teams is powered by Office 365 and SharePoint, as a result you can gain access to your files in a number of ways. Use this tutorial to access any files stored in teams.

· Located in the 'Files' tab seen below.

File Home Share View					~ <b>(</b> ]
Pin to Quick Copy Paste Shortcut	Move Copy to * Copy	New folder	Properties	Select all	
Clipboard	Organize	New	Open	Select
