Consent2Go - Sync

Students/Parents - If a record does not exist in Consent2Go it will be freshly synced from Synergetic. From this point onward Consent2Go will only send updates to Synergetic but will not re-pull from Synergetic.

Staff - If the staff member does not exist Consent2Go will freshly sync from Synergetic. Data will not be re-pulled in either direction from this point onwards. Changes made in Consent2Go WILL NOT sync to Synergetic. Changes made in Synergetic WILL NOT sync to Consent2Go.
